

THUNDERSPRINT

An Evening With the Stars - Saturday 12th May

Cranage Hall, Byley Lane, Cranage, Holmes Chapel, Cheshire CW4 8EW

Doors Open 6.30pm

We're going to make a bold claim. It's this. You will never have a better evening of motorcycling entertainment than the Thundersprint's "Evening With the Stars." Forget all about the controlled press conferences and measured PR statements you hear from riders. This a true, no-holds barred, night of Grand Prix gossip as you have never seen, or heard, it before – unless you came to last year's event!!!

Cranage Hall is a brilliant venue – small enough to be really close to the stars but with a true feeling of luxury. The evening starts with motorcycling legends six times World Champion, and six times TT winner, Jim Redman and European Champion Sammy Miller chatting to "The Voice of the Thundersprint" – Garry Gardiner. Want to know what it was like to race in GPs where serious injury was expected and death waited on every corner? These Grand Prix icons will tell you.

Then we'll introduce you to the stars of tomorrow with teenage phenomenon Joe Francis and Britain's top female stunt rider, Chesca Miles, taking the stage.

After a break for some liquid refreshments the stage will be filled by BBC TV's dynamic duo Steve Parrish and Matt Roberts, who will be joined by the current stars of GP racing Danny Webb and Scott Redding.

The Bennetts Babes will be on hand for pictures and autographs.

What will happen, and how long the party will go on for, we just don't know but you can expect more fireworks than Bonfire Night.

If, and when, Parrish and his team ever leave the stage they will be heading for the bar which isn't closing all night!

Cost for this fantastic evening is just £10 for pre-booked tickets or, if any space is available, £15.00 on the night.

Space really is limited so please book early to avoid disappointment.
